FOR IMMEDIATE RELEASE

Bixby Community Outreach Center

Is Teaming Up with the Bixby Soccer Club

Get your employees ready to have some fun and help support two great local organizations at the same time!

The Bixby Soccer Club (BSC) has teamed up with the Bixby Community Outreach Center (BCOC) to form the Bixby Cup 3 vs. 3 Corporate Adult Soccer League (BCACSL). The BCACSL has agreed to donate 1/2 of all registration profits to the BCOC to help benefit local families in need of food and other assistance and 1/2 of all profits to the Bixby Soccer Club Scholarship Fund (BSCSF) to benefit two Bixby High School seniors per year with the rising cost of college expenses via a \$500.00 scholarship.

This league will be formed from businesses or sponsored teams from Bixby, Broken Arrow, Glenpool, Jenks, and South Tulsa. Games will be played in a 3 vs 3 format and will be held at Keas Soccer Complex. The registration for these teams will be \$300.00 per team of six players and will begin on April 3rd. Games will be held at various times from May 17th through June 21st.

For information regarding sponsorships, registrations, or any other items, please contact Rick Wilson, League Coordinator for the Bixby Soccer Club, at 521-4393.

The BCOC portion of the proceeds from this fundraiser will benefit local families in need who come to the Bixby Community Outreach Center for help with food, clothing, financial assistance, school supplies and more. BCOC provides many services and referrals for low-income families and works with many other organizations to help those community members who are in need.

For more information regarding the programs and services offered by the Bixby Community Outreach Center, please contact the office at 918.366.9226 or visit their website www.bixbyoc.org.
